

PRIVACY POLICY FOR SYNCHRONICER APPLICATION

This privacy policy governs your use of the software application ("Application") for mobile devices. Soft Design A/S owns all proprietary rights. The Application assists in registering, administering, handling and documenting job assignments.

Information Collection and Use

User Provided Information

The Application obtains user information provided by your employer from when you download and start using the Application. In some cases, it requires that your employer has registered you on a Synchronicer website.

Automatically Collected Information

The Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile operating system, the type of mobile Internet browsers you use, the network connections (like WiFi, 3G/4G), and information about the way you use the Application.

Collection of real time location information

When you visit the mobile application, we may use GPS technology (or other similar technology) in order for your employer or third party that has been granted access by our employer, to determine your locations in order to allocate work, assist navigation, document at which location work is done and that company guidelines are followed.

If your employer do not want us to use your location for the purposes set forth above (and your employers permits this), you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

Collection of other information

The Application may read text messages and other information accessed outside the Application to see if it relates to the Application. However, it only transmits data that relates to the Application. The Application may also access the smartphones' camera and gallery, but pictures and other are not send unless the user specifically selects them inside the Application.

Third parties access to information obtained by the Application

We may disclose User Provided and Automatically Collected Information:

- If your employer request access to third party.
- as required by law, such as to comply with a subpoena, or similar legal process.
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request.
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- if Soft Design A/S is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our website of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

Additional information about Data collection and processing

System logs and maintenance

For operation and maintenance purposes, this Application and any third party services may collect files that record interaction with this Application (System logs) or use for this purpose other Personal Data (such as information about related installed apps).

Opt-out rights

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via your employer.

Managing Your Information

We will retain collected data for as long as you use the Application and as agreed with by your employer.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy is effective as of September 21st, 2017 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page. We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy. If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website, or via message in the app.

Contact Us

If you have any questions about this Privacy Policy, please contact us.

Your Consent

By using the Application, you are consenting to our use of your information as set forth in this Privacy Policy now and as amended by us.
